

Comments and feedback from 2017 Conference

Blackburn Rovers Football Club Mike Cheston Director

We at Blackburn Rovers Football Club and Blackburn Rovers Community Trust are very proud to have been able to assist you on this. For my part I enjoyed the Upcycled Garment Competition and was indeed impressed by the quality of the entrants, and by the exhibition generally, evidence indeed of good organisation behind the scenes. I could see how much the pupils were enjoying the day, whilst learning at the same time too! We would welcome the opportunity to work with you again, and hope that you all feel the same.

Great, here's to next year then. Lynsey Talbot General Manager

Lancashire Fair Trade

Brilliant and inspiring! It was my first visit, as part of the team working on the Fairtrade stand. I found so many interesting groups, displays and information ~ time limited me to just visiting the marketplace. Wonderful ~ us grown-ups need more like this too!

Fair and Funky

Had a great day. Well done for all you achieved. The event was brilliant! So exciting to see so many schools so enthused with sustainability. Well done to you and all your organising team. Please do keep us in mind for future events - we'd be delighted to take part.

Bee Centre

Kath and I thought it was excellent. The venue worked out to be a good option. I'm amazed that you managed to pull off the change of location so successfully and at such short notice. We look forward to contributing to next year too.

Canals and River Trust.

Thanks for the invite to the conference it was great, we really enjoyed the day! Please can you send me a list of the primary schools. Thanks for all your hard work in creating and running the above at Rovers last week.

Landscape Engineering LTD

We met some great people and it gave us chance to get our brand in front of the users - the pupils. Unfortunately it's the adults that spend the money, so if possible, could you email me any contact details you have for the schools represented at the event in order that I can follow up with visits etc and help them all build sustainable school grounds schemes.

Katy Pallas FACE

Thanks so much for organising the conferences. Very productive day.

Lion Learners

It was great to see so much enthusiasm around all the stalls. I hope the pupils took something away from Lion Learners stand about how important it is to protect Rainforests and the animals that inhabit them.

Ribble River Trust

It really was a fantastic event and we would love to be involved in future fairs. Is there any chance that we could get an idea of the numbers of children and school staff there on the day? With busy spells and return visitors, we lost track of how many came to the stand. Thanks again
