

10th SCHOOLS' SUSTAINABILITY Eco-Schools CONFERENCE

Working together for a sustainable future -Healthy Lifestyle for a Healthy Planet

To be hosted at

with input from

8th June 2017

Primary Schools are invited to send six or eight Year 4/Year 5 pupils & supporting adults (all having an active role promoting environmental education & learning for sustainability projects in their school.) The cost per school is £50 for up to 6 children and 2 adults or £60 for 8 children and 2 adults.

Keynote presentation- Clear Plastic UK girls

2 kids campaigning against single-use plastic bottles, with the aim of removing them from supermarket shelves in the UK, alongside 3 other big aims.

Adult Presentations- CPD

Meek family ed-ventures – real-life learning and what motivates them.

Design for Change – how to unleash every child's super power to become a hero for change, doing good.
